Sheet:

Superheroes

Week: 19/11/18

Physical Development:

- Using our P.E equipment outside
- Superhero obstacle course challenge-who will be the fastest?

Understanding of the World:

- Look at superheroes now and in the past. How have they changed?

Mathematics:

- Practicing counting
- Practicing our number formation
- Working on ordering our numbers and solving problems around this
- Working out one more and less when on a superhero hunt
- Using money in our superhero shop
- Looking at how we add numbers together and what the add / equalise sign mean.
- Make a graph of our favourite superheroes

Creative Development:

- Role play in our school
- Make a superhero mask
- Make a superhero belt using a repeating pattern
- Making our own creations in the creative corner

Other Notes:

Please record each time you read with your child in the reading record. We will only change books if they have read the book twice (no words) or three times (a book with words). Thank you for your support. Please remember to practice making words with your child using the letters provided from the parent meeting and record in your reading record book. Any concerns with pronouncing letter sounds either visit <https://ruthmiskin.com/en/find-out-more/parents/> or speak to us ☺

Champion Challenge- Hunt for numbers in your home or when you are out. Take a photo of them. Can your child tell you one more or one less than the number? Show us how you got on Tapestry.
