11 Before 11

THE LIMES
PRIMARY ACADEMY

REAch2 Multi Academy Trust makes a pledge to the 27,000 children who attend our schools, to provide 11 memorable life experiences before the age of 11.

These experiences are interpreted by each individual school, according to the needs and life-opportunities the children access in their local area.

At The Limes Academy, these experiences will form a key part of our Learning Pathways curriculum and we are planning these in to our long term plans as we design our learning themes for our children.
