- Talking about special events in our lives such as birthdays.

Mathematics:

- Counting 1-10
- Recognising numbers 1-10
- Using numicon to help us to count

Creative Development:

- Painting self portraits
- Free painting
- Junk modelling

Key Vocabulary

Please & thank you, Giles Andreae, books, mark making, class rules, I need some help, learning powers

Makaton signs

Good Morning, Good afternoon, stop.

Fruit - apple, banana, raisins, carrot, orange,

Animals – Pig, cow, sheep

Just a note to say.... The children have settled in so well, we are very proud of them all. Thank you for your patience in getting them all in and out each day, it takes a little bit of time as we are limiting how many adults are in the classroom at one time. Please can we ask again that only **one adult** comes into the classroom with your children to ensure that we are adhering to social distancing rules and to help us get all of the children in quicker, the children have been amazing so far! **Reminders** Please remember to name everything! Please send spare clothes, we don't have a very big supply of spares & children get wet or muddy sometimes!

Learning Hero who will it be this week?

Marvellous Manners – Who has been remembering to use their marvellous manners?
