Dear Parent/Carer,

### **Read Write Inc/ Phonics**

Firstly, I would like to thank you all for your continued support in adhering to our current safety measures around the start and end of the school day – we all understand that this is a different way of operating for us all and appreciate the positivity you have shown.

We continue to educate the children in a safe manner; this also allows children to continue to be taught in the most appropriate groups. I would like to explain the current measures which are in place for the children's Read Write Inc/ phonics lessons:

- Where mixed age groups are required, the bubbles do not mix within the suggested 2m social distancing measurement. In this case, the children from different bubbles are kept on different sides of the classroom.
- Where children are moving from their base classroom, the areas and equipment are cleaned and sanitised before and after session.
- Children only have talk partners in the same bubble as themselves.
- Where adults have children who are not in their base bubble, adults wear visors to mitigate risks for both themselves and the children.
- All children have their own individual equipment and writing books, which are also stored according to bubbles.
- Children share a reading book with a child from their own base class bubble. Where this is not possible, the child will have their own book.

If you do have any further concerns, please contact the school office directly and we can get back to you as soon as possible.

Yours faithfully,

Miss Thompson  
Deputy Headteacher
