

Year 2 Weekly Newsletter (W/B 11/10/21)

Topic - King, Queens and Castles

Reminder: 'Reminder: the school is closed Friday 15th October due to PD day.

Maths: This week we will be consolidating our knowledge of adding and subtracting 2-digit numbers by looking at partitioning numbers and using bar models to display our information.

English: We will be continuing our writing unit on instructions by consolidating our knowledge of bullet points and time connectives, then beginning to make a plan for the structure of instructions, section by section. We have been working hard on learning our model text with its actions, too!

Science:

P.E. Day will be on Mondays, please remember to send your child in their PE kit and trainers.

Reading Books: Reading books need to be read 3 times before they can be changed. Reading the book 3 times supports your child to develop their decoding, fluency and comprehension skills with each text. Please make sure your child's book and reading journal, is in their book bag everyday, as we will be listening to the children read in school. Books need to be back in school on a Monday and new books will be given out on a Wednesday.
