

Year 2 Information Sheet

Let's have a look at the week ahead...

Week beginning 17.1.22

Celebration assembly awards this week:

Learning Hero: Evie-Mai

Reader of the week: Vada

Marvellous Manners: Harry & Lexi

Deputy-Headteacher Award: Jacob

Well done!

Maths

We have started a new mathematics unit on time this week - the children have shown real resilience as it can be a tricky topic! We have been listening to 'What's the Time?' by Johnny and the Raindrops on YouTube and the children have found this to be a fun way to remember it!

Timestable Rockstars

A letter went out yesterday with your child's log in details for Timestable Rockstars. We set the children up with their new characters in class and they enjoyed battling against each other to win coins! It would be excellent if they could have some practice a few times a week at home too—our focus timestables in Year 2 are the 2, 5 and 10 times table.

Spellings

Your child will have received a parent letter with their personal spellings on in class today.

English

In English, we are looking at Finding Tales. Our model text this time is called Captain Green—A Superhero for Animals. The children have begun to learn the model text with actions - see if they can remember it for you at home!

A huge well done to...

Zara
Freddy
Hudson
Charlie
Lillie-Blue

who got **10/10** on their spellings this week!

Wider Curriculum

In geography, we will be studying the four countries of the United Kingdom and their cultural traditions.

In science, we will be continuing our learning on lifecycles, looking at a chicken, frog and human.

In computing, we will be learning how to open, edit and save a PowerPoint Presentation.
