

Year 2 Information Sheet

Let's have a look at the week ahead...

Week beginning 24.1.22

Celebration assembly awards this week:

Learning Hero: Hollie

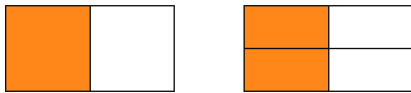

Reader of the week: Iken

Marvellous Manners: Robin & Stas

Well done!

Maths

We have finished our unit on time this week (although we will continue to practice in and around the school day!) and will be moving onto fractions.

Timestable Rockstars

We have been so impressed by how well the children have taken to Timestable Rockstars! It has been excellent to see so many children playing along at home and seeing how many coins they have achieved! A reminder that our focus timestables in Year 2 are the 2, 5 and 10 times table.

Spellings

Your child will have received a parent letter with their personal spellings on in class today.

English

This week we have been editing our model text using our new knowledge of suffixes. Next week we will be continuing to write, edit and publish our finding tale.

A huge well done to...

Hudson Koraycan

Lillie-Blue Stas

Ashton Vada

Hollie Jacob

Iken Riley-J

who got **10/10** or **improved their score** in their spellings this week!

Wider Curriculum

In geography, we will be taking on the role as travel agent to encourage people to visit the United Kingdom!

In science, we will be continuing our learning on lifecycles, researching an animal of our choosing.

In computing, we will be learning how to search for and then insert images into PowerPoint.
