Maths

The children have enjoyed starting our topic on money this week! Next week we are looking at giving change. Any additional practice at home would be fantastic!

Timestable Rockstars

We have been so impressed by how well the children have taken to Timestable Rockstars! It has been excellent to see so many children playing along at home and seeing how many coins they have achieved! A reminder that our focus timestables in Year 2 are the 2, 5 and 10 times table.

A huge well done to...

who got **10/10** or **improved their score** on their spellings this week!

Spellings for this *half term* have been sent out last week, let me know if you haven't received one.

Notices

All children will get the opportunity to take part in a yoga at school by next Friday! Please could they come in their PE kit as normal on Monday and Thursday.

Reading

Thank you to those of you who joined us this morning for our next session reading with parents! The children loved showing you around our classroom after so long not being able to come in. This will be happening every Friday if you are able to come along - no worries if you have work/other commitments, we will make sure those children are read with :)

Wider Curriculum

In art, we are going to be continuing our topic on portraits — have a look at some of our amazing portraits this week!
